

## Corporate Match Information

Thank you for your contribution to support your student's school through PEER Foundation. You indicated that you work for a company that has a charitable giving matching contribution program. In order to apply for a matching contribution, you need to:

Go to your company's HR site and initiate the matching process. Often there is a form or intranet page on which you will indicate the amount of your contribution to PEER Foundation, the date you made the contribution, etc. If you have already made your contribution and your employer requires that the contribution be made through them, please contact PEER for a refund and submit your donation through your employer. If you need assistance, please ask your company's HR department. Please note that you want your matching contribution to go to PEER Foundation.

Use the following information to validate your selection:
