- Companies in *italics with an\** require the donation and match request to be made directly with the corporation.
- If your employer has this requirement, then please submit your check directly to your company. Notify PEER at [thepeerfoundation@gmail.com](mailto:thepeerfoundation@gmail.com) that your donation and corporate match contribution are pending with your company (please provide company name in the email).
- Please note that some companies that are not listed here participate in corporate matching programs. If your employer is not listed here, please follow up with their HR department to verify participation.
