

Evergreen School District  
Election of 2014  
General Obligation Bonds

Citizens' Oversight Committee  
Procedures, Policies and Guidelines

**INTRODUCTION**

Measure M was approved by at least 67.51% of the voters of the Evergreen School District pursuant to the provisions of the Strict Accountability in Local School Construction Bonds Act of 2000, codified at Sections 15264 and following of the Education Code. The Act requires the Board of Trustees (the "Board") to appoint a Citizens' Oversight Committee (the "Committee") after the successful bond election.

The purpose of these Procedures, Policies and Guidelines is to direct the formation and actions of the Committee. Where the statutory direction is insufficiently specific, the Board has furnished missing details. In addition, the Board sets forth below its expectations, suggestions, and desires for the operations of the Committee.

**I. Establishment**

The Board is required to appoint members to an independent citizens' oversight committee as a result of the passage of Measure M at the election conducted on November 4, 2014.

**II. Purpose**

A. Statutory Purpose The Committee is charged by statute with the following purposes:

1. To promptly alert the public to any waste or improper expenditure of school construction bond money.
2. To inform the public concerning the expenditure of bond revenues.
3. To ensure that bond revenues are expended only for the purposes described in the Constitution; that is, for the construction, reconstruction, rehabilitation, or replacement of school facilities, or the acquisition or lease of real property for school facilities
4. To ensure that no funds are used for any teacher or administrative salaries or other school operating expenses

B. Board Charge to Committee In addition to the statutory purposes, the Board believes that the Committee's purposes should include facilitating understanding between the Board and the residents of the District, as a complement to the Board's own regular public meetings and citizen outreach efforts. The Board believes the Committee will best serve its statutory purposes and the interests of the community by:

1. Responsibly reviewing Board plans with regard to bond projects
2. Communicating the community's concerns or satisfaction to the Board with regard to those projects and the District's overall building and renovation plans
3. Communicating the Board's intentions with respect to bond projects to the community

C. Role of Committee vis-a-vis Board

1. As the legally elected representative of the voters, the Board, on the advice of the Superintendent, must make all decisions relating to how bond funds are spent, how bond projects are configured, the cost, priority and timeline for completion of the various bond projects, and all other matters necessary in connection with the district's building program. The Board values the Committee's input on these matters as an advisory body.
2. The Committee will need to refer to the text of Measure M and the Bond Project List contained therein, but the Committee's interpretations of Measure M are not binding on the Board.

**III. Members**

A. Committee Size The Committee shall always be comprised of at least seven members.

B. Required Members Pursuant to statute, the Board shall appoint to the Committee the following members:

1. One member active in a business organization representing the business community located within the District
2. One member active in a senior citizens' organization
3. One member active in a bona fide taxpayers' organization
4. One member who is the parent of a child enrolled in the District
5. One member who is the parent or guardian of a child enrolled in the District and who is active in a parent-teacher organization such as PTA or school site council
6. Two other members, selected from the public at large

C. Board Procedures for Appointment of Committee

2. Failure to Appoint

- a. The Board will make a good faith effort to appoint the Committee and fill vacancies to ensure that the Committee is fully constituted and functioning. No vacancy, at initial appointment or otherwise, will prevent the Committee from meeting and conducting its business.
- b. In the event that the Superintendent does not receive acceptable applications from the public to fill all of the positions specified in Section III.A, above or if at

any time there is a vacant position on the Committee, the Superintendent shall cause a notice of the vacancy to be posted in a conspicuous public place (e.g. where regular public notices of the Board are posted), specifying the eligibility requirement for the vacant position and that a written application must be submitted to the Superintendent, and such notice shall remain posted until the vacancy is filled. The Superintendent, in her discretion, may advertise the vacant position in a newspaper reasonably expected to be circulated among interested groups, and may contact organizations to request nomination of interested persons to fill the positions that require active membership in such organization.

3. The Board may determine to appoint members of the Committee from time to time, in addition to the seven positions specified in Section III.A, above and without regard to the membership requirements so specified.

6. Failure of the member to participate in the meetings and activities of the Committee, upon a finding by the Board that the member is unable or unlikely to effectively continue to serve on the Committee.
