

SSC Agenda
Wednesday, May 20 ~ 6 – 8 pm
Katherine Smith Elementary School
Exhibition Night

PBL has been a topic in our meetings as our school moves forward with this Instructional Practice. It was brought up before that we should, as a School Site Council plan a trip over there. Clark is partnering with K.Smith in this deeper learning journey, so their principal; Mr. Aaron Brengard has personally invited us to attend. Meet at Clark at 5:30 pm, have a short 5 minute meeting and then carpool over there.

*The invitation and flyer are below....

Distinguished guests,

On behalf of the entire Katherine Smith community, we would like to invite you to attend our **Exhibition Night, Wednesday, May 20** from **6:00-8:00 p.m.**

5:30 Meals available

6:00 Classroom presentations (4:30 for kindergarten)

The campus will be transformed into a living museum. Every student in every classroom will present work exemplifying 21st century learning. We are proud of our students and want to share how project-based learning (PBL) has created authentic opportunities for deeper learning.

Cordially,

Aaron Brengard, principal

P.S. Additional parking available on the backside of the campus off Santiago Dr.
