6 – 8 pm @ Katherine Smith

About five of our school site council members attended Katherine Smith's Exhibition Night. We had talked about visiting as a council over the course of the year. Their principal, Mr. Aaron Brengard, personally invited us. A couple of us met at the school and carpooled over to Katherine Smith. The exhibitions were both inside and outside of the classrooms. Sixth grade's exhibition was in the multi-purpose room. There was a strong feeling of community and pride in their students' work. It felt like the entire community was out celebrating their childrens projects while the students were all presenting either individually, with a partner, or in a group. The school was sectioned off by grade-level and themes of their projects. All the teachers were present and some were in character. The council hasn't debriefed yet as a group, just individually. Discussion to follow at our fall meeting.
