Parent Permission Form for Student Counseling

Chaboya Middle School has a program that provides counseling services to a select number of students to facilitate their academic and social success at school. The middle school counselor will provide these services. There is no charge for counseling to the parent or students.

Your child _____, has been selected as one who might benefit from these counseling services, and we are asking for your involvement and permission. On occasion, the school counselor working with your child will want to meet with you to discuss any concerns and answer any questions you might have about the counseling services.

If you have questions, please call Ms. Fernandez at 408-270-6900 or email at bfernandez@eesd.org . If you are willing to have your child participate, please sign below and return the form to the school office.

Sincerely,

Derrick Watkins
Principal

I give permission to Chaboya Middle School Staff to have my child _____,
participate in the school counseling program. I am willing to participate along with my child as needed.
